

Mind of Diamond (Paperback)

By Idiong Divine

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. Mind of Diamond is aimed at endowing the reader with the rich peculiarities present in our society today; peculiarities that should be taken with a pinch of salt as they are not without their ugly sides. This collection will however disillusion anyone who hopes to see that serene rural setting in every book they open because it typically mirrors a society that is contemporary and has been permeated with the cynicism that runs pari passu with urban life.
